

**MANGOSTEEN100™** is the world's first 100% pure, undiluted, unadulterated, pure wild-harvested Mangosteen product, containing no fillers, sweeteners, artificial color, flavorings, preservatives or anything! This product is 100% pure Mangosteen juice, rich in critical Xanthones that are the key components responsible for the multitude of health promoting benefits that Mangosteen has been revered for over 1,000 years. **MANGOSTEEN100™** is grown without the use of pesticides, herbicides, fungicides, larvacides and other toxic chemicals.

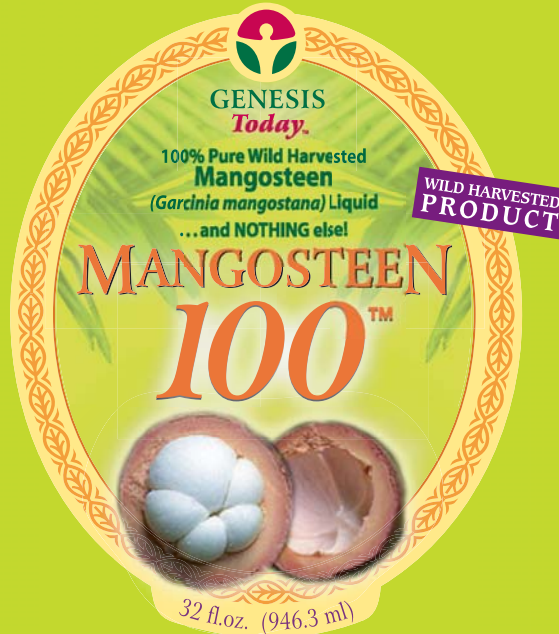

**Key benefits of MANGOSTEEN100™:**

1. Extremely high ORAC (oxygen radical absorption capacity) rating.
2. Supports youthful cellular regeneration, according to recent clinical studies.\*
3. Enhances and supports human immune functions.\*
4. Supports healthy prostaglandin and histamine levels, thereby assisting in the control of inflammation.\*
5. Supports cardio vascular health, by acting as a free radical scavenger, according to in-vitro studies.\*

Unfortunately, most manufacturer's and marketers of Mangosteen products add water, fruit juices, sweeteners, juice concentrates, chemical preservatives and other unwanted and unnecessary ingredients. This is done to lower costs, improve flavor and to speed production runs. Genesis Today is proud to offer the world's first and only 100% pure, Mangosteen juice product. This product is 100% pure, and made the traditional way, just like it was consumed over 1,000 years ago.
